In Jaden's Play Den, we provide a wide array of stimulating and unique toys (mostly Montessori) for kids from a few months after birth until forever. Our toys are designed to foster rich play and promote fine and gross motor skills, sensory, and cognitive development, among many others. We understand that these amazing tools help you and your child engage and interact, and promote overall healthy brain and emotional development.

Our toys can be rented for a minimum of 21 days. Most of our collection come from Plan Toys, which we carefully chose and brought home from Thailand.

Renting on an hourly or daily basis can also be considered for photo shoot sessions or commercial purposes.
